

Sterile formulation

READ ALL DIRECTIONS BEFORE USING THIS PRODUCT

BioProtector Add-It is an adjuvant extender specially formulated to protect *Bradyrhizobium* and maintain viability. BioProtector Add-It provides optimum conditions for *Bradyrhizobium* to achieve a successful symbiosis with the legume plant. BioProtector Add-It improves the performance of *Bradyrhizobia* bacteria adhering them to the seeds and protecting them from desiccation, high temperature and low soil humidity. The osmoprotectant properties conferred by BioProtector Add-It provides excellent on seed survival of bacteria during storage of inoculated seed and also in the soil after sowing. BioProtector Add-It can be used for two seasons.

Application rate

1.13 fl. oz per 100 lb (33.5 ml per 45.4 kg) of soybean seed.

Application Instructions

- Shake well before opening the bladder
- Pour BioProtector Add-It in a clean bucket or in the tank of the seed treating machine in order to prepare the mixture of BioProtector Add-It plus inoculant. Add the corresponding inoculant quantity. It is not necessary to add water. Stir for a few seconds to obtain a homogeneous mixture.
- Over application of BioProtector Add-It may cause lodging or bridging of the seed.
- Keep inoculated seed away from direct sunlight or hot drying winds.

Net Volume 113 fl. oz (3.35 L)

Package size: 113 fl. oz (3.35 L), 4 bladders per case, each bladder treats 10,000 pounds of seed.

Limited Warranty

Danstar Ferment AG / LALLEMAND PLANT CARE ("Danstar") warrants that this inoculant (the "Product"), will contain the minimum number of live cells per milliliter/gram as specified on the Product label at the time the Product is first sold by Danstar. Danstar makes no warranty as to the Product's viability or performance since the storage, use and application of the Product and growing condition are beyond the control of Danstar.

To the extent permitted by applicable law, Danstar makes no other warranties of any kind and hereby disclaims all other warranties, whether oral or written, express or implied, including without limitation, the implied warranties of the merchantability and fitness for a particular purpose and the warranty of non-infringement. Buyer of the Product assumes the risk to persons and real or personal property arising from the use, application or handling of the Product or seeds treated with the Product.

Buyer's exclusive remedy for any and all losses, injury or damages resulting from a breach of this Limited Warranty shall be, at the election of Danstar, either the price paid by buyer for the Product purchased directly from Danstar, or the replacement of such quantity of the Product. Danstar shall not be responsible for any liabilities, damages, expenses, costs or other losses, including without limitation, loss of profits suffered in connection with the use of the Product and in no event shall Danstar be liable for any incidental, consequential, special or punitive damages to the buyer or any third party.

Buyers of the Product are deemed to have accepted the terms of this Limited Warranty upon opening the container containing the Product, requesting the Product to be applied to the seed, or use of seed to which the Product has been applied, whichever is earlier. The terms of this Limited Warranty may not be varied by any oral or written agreement.
